WORK EXPERIENCE

Freelance student assistant

Oct. 2019 – Oct. 2021

ARD-Generalsekretariat

Berlin

During my student work at the ARD-Generalsekretariat in the field of Information and Documentation of Central Tasks, I successfully utilized my strengths in communication, flexibility, and resilience. My responsibilities included independently and autonomously fulfilling the following tasks:

- Editing and correcting the in-house database
- Cataloguing digital documents
- Digitisation of created documents
